COLLECTION

TCE016

Departure for **Monopoli** to spend approximately 2 hours experiencing an enchanting **Rural Park** at one of the oldest Masseria in Puglia. The first settlements of Masseria Spina are among the most important examples of rupestrian civilization, developed between roughly the ninth and twelfth centuries in Puglia. The tour will take you on a journey through 1000 years of history while discovering cave dwellings, necropolis and a small church dating back to the 11<sup>th</sup> century. You will even visit the *Spina Piccola*, a fortified tower with its surrounding citrus garden, an ancient underground olive mill, a dye-works and the façade of Masseria Spina Grande with its beautiful Baroque church dedicated to the Immaculate Conception. After the tour you can combine a **wine tasting** or an **olive oil tasting** so to fully experience the atmosphere of this enchanted Masseria. It is necessary to book the experiences at the reception.

**Estimated Total Time for the activity: 2 hours / Every day upon request form April till November**
