## Medium-hard trail

Meeting at the hotel with your guide who will evaluate your athletic skills and set up where to start the itinerary. Your cycling tour will start from **Alberobello** to be reached by your own means of transport. The excursion will last 65 km with a medium difficulty path. Following the bike trails along the colourful countryside of the Valle d'Itria you will reach first **Cisternino** and then along the roman Waterworks, **Locorotondo**. You will proceed to **Monopoli** in order to be back to the hotels. This excursion will last approximately 6 hours during which you will experience a direct connection to the Apulian landscape; you will have even the possibility to stop and enjoy a break during the itinerary at one of the numerous wineries in the countryside. In case of any inconvenience the Van is at your disposal. This cycling activity is up for well-trained adults with some expertise with the biking tours.

Please refer to the reception to book the activity informing about weight, height and shoes size.

**Estimated total time: 6 hours / Available from April till October. Notice 72 hours**
