

LAND & TASTING EXPERIENCE

COOKING CLASS- IL MELOGRANO

TCE018

Delicious local cuisine is one of the **essential elements of a memorable trip**. Puglia is a destination for all those people with a **passion for simple delicious flavours** and an interest in the provenance of food. The land is rich and bountiful, the 500 miles of coast offer a profuse fresh catch, and we pride ourselves in “**zero miles**” ingredients. Puglia has the soul of a mother. When a **mother shows her love she offers food**, and this is the Apulian way. Imagine to be travelling through a remote village in the “heel” of Italy, surrounded by fields and drystone walls, then get lost, and seeing someone appear out of their house; you could be about to ask for directions, what will they ask? “Would you like something to eat?”, of course. At our Masseria Il Melograno our chefs are warmly enthusiastic and ready to **reveal the secrets behind the perfect focaccia**, tiny neat orecchiette, and traditional **Apulian dishes**. Our kitchen gardens are bountiful and we invite guests to collect fresh red peppers, purple aubergines and fragrant green basil to add to the ingredients. Did you ever figure that one simple ingredient can be turned into something so delicious? It is even possible to attend cooking class in other Masseria in the nearby villages of Conversano, Monopoli and Savellettri. It is necessary to book in advance the Cookery class at the reception.
