Masseria Il Melograno

Delicious local cuisine is one of the **essential elements of a memorable trip**. Puglia is a destination for all those people with a **passion for simple delicious flavours** and an interest in the provenance of food. The land is rich and bountiful, the 500 miles of coast offer a profuse fresh catch, and we pride ourselves in “**zero miles**” **ingredients**. Puglia has the soul of a mother. When a **mother shows her love she offers food**, and this is the Apulian way. Imagine to be travelling through a remote village in the “heel” of Italy, surrounded by fields and drystone walls, then get lost, and seeing someone appear out of their house; you could be about to ask for directions, what will they ask? “Would you like something to eat?” At our Masseria our chefs are warmly enthusiastic and ready to **reveal the secrets behind the perfect focaccia**, tiny neat orecchiette, and traditional **Apulian dishes**. You will be surprised to know how such simple ingredients can be turned into something so delicious. In case of Vegetarians Orecchiette will be served with fresh *pomodorini datterini* and *dried ricotta cheese* and the second course will be according to seasonality. Local pastry and water included. It is necessary to book in advance the class at the reception. Notice 72 h. **Estimated Total time for the activity: 2 h included service - minimum 4 pax – maximum 10 pax. Class is available for 2 pax on exclusive service upon request. From April to End of October.**
