Departure with the **Ape Calessino** universally re-known **icon of Italian style**, ideal mean of transport to explore the narrow alleys of Apulian old towns. The tour will drive you to **San Vito**, located 3 miles north of Polignano a Mare. The **Abbey** was built in the X Century and it faces a cosy natural harbour which hosts the red and green coloured traditional fishing boats. According to the legend, in year 801, the boat of the Princess of Salerno, Florenza, landed at the bay with the spoils of St. Vito and his tutors, Modesto and Crescentia. They have been guarded for centuries by the monks who inhabited the caves below the Abbey. Following the coast, the Ape Calessino will reach **Polignano a Mare** where you will start a **one-hour rick-show guided visit of the old town**. Entrance to **Pino Pascali** Museum included. Next stop for the Ape Calessino will be the old city centre of **Monopoli** where you will enjoy some leisure time to visit the city and the shops by your own. Drive back with Ape Calessino to the hotel. Last drive back at 11.00 pm. It is possible to arrange the sole visit of San Vito and Polignano a Mare along the coast. It is necessary to book the visit at the reception.
