Don't miss the opportunity to drive a classic Italian means of transport and to explore the **Valle d'Itria** driving a **Vespa** following our expert escort and our professional guide who will accompany you through the most scenographic routes to get to **Alberobello**. In total security you will follow the road map to get to piazza Cavallotti where you will proceed with the guide for the walking tour of Alberobello, whose districts "Monti" and "Aia Piccola" were decreed UNESCO World heritage sites because they are entirely composed by trulli lining the uphill lines. Visit of the Trullo Sovrano (only external) and of the church of Saints Cosma and Damiano. Stop for lunch at a typical local **trattoria to taste** all genuine produces from the kitchen garden. Leisure time after lunch. In case you don't want to stop for lunch we can proceed on with the visit of **Locorotondo**. Alternative route: **Monopoli** and **Polignano a Mare**. It is also possible to rent the sole Vespa to explore Puglia by yourself. In case you are not confident with scooter we can arrange a comfortable visit on private bases with Minivan and professional guide. *Vespa can be driven only by adults with a European driving license; it is necessary to provide a credit card number as guarantee of eventual damages or unpaid road fines. Please refer to the reception to book your visit.*

Estimated Total time for the activity: 6 hours / Every day from May till September
