Departure for our private **MARINA in Polignano a Mare** for a half day trip along the coast. Board on a **LUXURY YACHT** of a total length of 18 meters and take your time to relax laying on the sundeck while you will be served a chilled wine and some snacks during the cruise. You can choose between **different itineraries South and North Puglia**. We recommend a visit to **TRANI and its Jewish quarter**. Approaching the port, you will be mouthless watching this city which extends into a small peninsula, where the Cathedral S. Nicola Pellegrino stands in a stupendous position directly beside the sea. It is therefore known as "**the church between sea and sky**". You will be greeted at your berth by a **professional guide** who will show you around all the hidden gems, starting from The Cathedral which houses the relics of St. Nicholas "The Pilgrim", one of the most wonderful examples of the Romanesque Apulian architecture. TRANI was also the town of Frederick II, who built the imposing **Swabian Castle** overlooking the sea, and who protected for centuries the activity of the **Jewish** against common bias. You will discover two of the still active **Synagogues** in the old center with the annex Museum. Before re-boarding we recommend even a pleasant walk to discover the narrow alleys of the old town full of trendy shops. It is necessary to book the visit at the reception.
