“Even with a torn and a damage sail if the helmsman is stiff and Braveheart, the boat will be driven to a secure harbour” Umberto Kuhtz seems to speak about our *PescoPoeta* - the Dreaming Fishermen who will escort you from **MONOPOLI** to Polignano a Mare in a sweet experience along the coast. A stretch of sea which is tinged with unpredictable colours and peopled by bizarre old characters who come alive after the stories of this young and passionate new generation of mariners in love with land, territory and traditions; an adventures seeker who is Thirsty of Sea who becomes his privileged travelling and life companion. Departure is scheduled at 4:00 pm and 9:30 pm so to enjoy the sparkling sunsets of Puglia in the 3 hours and half excursion while you are sipping a wine or dipping in the pristine blue sea of some of the hidden bay along the coast.
