Delicious local cuisine is one of the **essential elements of a memorable trip**. Puglia is a destination for all those people with a **passion for simple delicious flavours** and an interest in the provenance of food. At **Masseria Garappa**, a beautiful farmhouse overlooking the Monopoli coastline, the cooking workshops are most popular. Those that were once the rooms of the occupants of the Masseria, today, make comfortable spaces to learn the secrets of Pugliese cuisine. After a welcome drink and a quick tour of the farm, surrounded by century old olive trees, you will start the lesson and you will learn recipes according to the techniques of the past and appreciate the authentic aromas, flavours and wholeness of the local tradition. You will be taught how to make: focaccia, eggplant or zucchini parmigiana, a type of traditional pasta as well as sauce and a traditional dessert. Many of the dishes you will learn will be inspired by the products of the current season. As a final touch to each cooking lesson, a qualified sommelier will choose the most appropriate wine to pair with each dish. In this class Minimum group size is 2 people.
