Delicious local cuisine is one of the essential elements of a memorable trip. Puglia is a destination for all those people with a passion for simple delicious flavours and an interest in the provenance of food. The land is rich and bountiful, the 500 miles of coast offer a profuse fresh catch, and we pride ourselves in “zero miles” ingredients. At **Masseria San Pietro** in the countryside of **Conversano**, Mara and Marina are representative of the evolution of **Apulian Ladies**: carrier women, perfectly English speaking but with an overweening passion for cooking which they inherited from their mums so to become certified personal chefs. They are warmly enthusiastic and ready to reveal the secrets behind the perfect focaccia, tiny neat orecchiette, and traditional Apulian dishes according to seasonality to all guest who attend their classes. Classes are scheduled with a minimum of 4 pax to a maximum of 15 participants.
