Meeting with your guide to start your excursion riding an **e- bike** according to your abilities. The itinerary will cover approximately 45 kms of low impact path followed by a technical Van for any inconvenience. It will pass through the beautiful fishermen port of **SAN VITO**, with its Benedictine **Abbey** which faces the natural harbour and it proceeds along the Adriatic coast dotted with *trulli*. You will reach **MOLA di BARI** which played an important role during the Crusades thanks to his Molo (pier) which even gave the name at the village. Passing through the little town and proceeding towards the inland you will reach **CONVERSANO** whose old town is enriched by the castle, the hidden *chiostri* and local shops. The excursion will last 4 hours in which you could enjoy the landscape and the art heritage in Puglia. You will even have the possibility to stop and taste the local focaccia before going back to **POLIGNANO a MARE**. This cycling activity is up for anyone even not professional cyclists. Please refer to the reception to book your visit.

Estimated Total time for the activity: 4 hours/ Available from April to October upon availability
