The experience in the vineyard is a special chance to have lunch or dinner surrounded by a unique microclimate, enjoying the retro allure created by d'antan design pieces at a Masseria in the nearby of Fasano. Facing the Adriatic Sea, it is possible to taste the farm to table seasonal goodies prepared by the chef, while sipping Susumaniello red wine, which is produced on site, and the signature cocktails made with the locally produced grape juice. You will feel truly embraced by the authentic taste of Puglia. The experience of the "Aperitivo" starts at 12.30 am which includes 10 gourmet finger food and 1 drink; "Dinner in the Vineyard" or "Under the FIG" includes an ad hoc set-up and a tasting menu with Amouse bouche, 1 Appetizer, 1 first course, 1 Second course, fruit and dessert with water and Sussumaniello red wine locally produced included. You can even enjoy a picnic in a green area reserved for you, based on local organic products prepared with deep love by our chef. From a minimum of 2 pax to a maximum of 15 pax. **Estimated Total time for the activity: from 50 to 90 minutes Monday to Friday from April till November**
