

LAND & TASTING EXPERIENCE

VINEYARD EXPERIENCE_ Polignano a mare

talea
COLLECTION

TCE077

This experience in this Tenuta is unmissable in Polignano area, few steps away from the sea. This is a land well suited to grow vineyards and olive trees which grow slowly and naturally and draw a unique landscape, perfect for some **Apulian wines** but even well known for the cultivation of the **Polignano carrots** which grow in small sandy plots of 10 to 20 hectares in the Polignano area. This family with a strong connection to the land and the tradition of working in the fields can't wait to welcome you at their farm escorting you in a **walk through the vineyards**, discovering the estate and its history, culminating in a **tasting of wines and of typical Apulian products**. The Guided tour of the estate, vineyards and cellars is followed by a tasting of 5 wines paired with an Aperitif with the following gastronomic specialties from Puglia: Extra virgin olive oil, Organic sundried tomatoes and artichokes in oil, Organic almonds, Cheeses with Malbec jam and Carrot, jam (slow food), Olives from the countryside, Focaccia and friselle (typical Puglia baked products), Mozzarella and burrata cheese, Fresh vegetables from the countryside, Fresh fruits from countryside, No limit refill of the 5 wines. A seasonal main course may be added on supplement. No pets allowed, No Children under 12 year and infant allowed.

Estimated Total time for the activity: 2 hours
