

BIKE EXPERIENCE MICE

MONOPOLI - EGNAZIA - SAVELLETRI - Medium trail

TCM202

A really great activity to propose to a corporate group is visiting the area and villages in the nearby cycling from spot to spot, guided by someone who really knows the place. Meeting at your hotel with your cyclo-guide to start your excursion riding a **mountain bike** or an **e-bike**. The itinerary will cover approximately 35 kms of medium impact path followed by a technical Van for any inconvenience. It will pass through the beautiful seaside town of **Monopoli**, with its Romanesque Cathedral, the harbour and the old town full of bar, pub and typical small shops and then following the Adriatic See it will reach the 4 BC ruins of **Egnazia** and the cosy fishermen village of **Savelletri**. The 4 hours excursion will let your delegates to be in total contact with nature, discovering history, landscapes and traditions of these fascinating places. During summertime they can even enjoy a break at the **Tamerici Beach Club** to sip a refreshing aperitif beneath bamboo shades. The cycling activity can even stop there so to spend the afternoon on the beach (quotes on requests). This cycling activity is up for anyone in good conditions from 18 years old. Groups from 10 to 90 persons can be managed with different itineraries with Mountain Bikes. E-bikes available for a maximum of 15 persons.
