## Pizzica Folkloristic Dance Performance

TCM207

A competition of *Tamburello e pizzica dance* is surely one of the most surprising **team building activity** to propose during your business meeting in Puglia, where you can still find a world that preserves customs and almost secret, intimate traditions. Wherever you go in Puglia, music is in the air, especially in summer, hitting the countryside, towns, villages, convents, squares and even quarries. It will be difficult to resist to the unique and overwhelming rhythms of “pizzica pizzica” for all the participants who will take part to this activity. They will have 2 hours to learn about this folkloristic dance and the use of the *tamburelli* which accompanied the music played during the ritual to heal the “tarantate”, the women bitten by an imaginary poisonous spider so to delve deep onto the age-old Apulian traditions.

Split into two different groups, participants should learn steps of the folkloristic dance, conceive a choreography which can be adapted and followed by any of the team in order to win the challenge during a mesmerizing final performance. An activity which enhances the joy, the energy and the vitality of working in team to reach a common goal. The activity can be executed in outdoor spaces or indoor meeting room in case of bad weather with a minimum of 15 s up to 50 participant split in two different groups or in two subsequent sections during the day. One Professional Pizzica Dancer every 25 persons and 5 musicians are included in the quote.
