Don't miss the opportunity to let your delegates to drive a classic Italian means of transport and to explore the **Valle d'Itria** driving a **VESPA** following our expert escorts who will accompany them through the most scenographic routes of Puglia. If you choose for a Half Day option, they will drive in total security along the coast to reach **Monopoli** and **Polignano a Mare**, where in each village a professional guide will escort them in an interesting walking tour. If you choose for a Full Day option, they can reach **Alberobello** in order to visit the UNESCO site and you can program a stop lunch at a typical local **trattoria** to taste all genuine produces from local kitchen gardens or at an Olive Oil Mill on the route and then they can proceed on with the visit of **Locorotondo** and be back. Vespa can be driven only by adults with a European driving license. In case some of your delegates are not confident with scooter we can arrange a comfortable visit with Minivans to follow the group or with Ape Calessino. The activity can be planned from a minimum of 3 to a maximum of 15 VESPA for a maximum of 30 persons, 02 persons for each Vespa. A maximum of 3 Apecalessino for 6 persons are available.
