COLLECTION

Meeting with your guide and departure for **Alberobello** the capital of the trulli country, and visit of the old town which has been decreed UNESCO site. Indeed, the principal quarters: Monti and Aia Piccola are entirely composed by trulli lining the uphill lines. The excursion proceeds to **Martina Franca**. Guided visit the village which is situated on a high lying slope of the trulli Murgia and of its old centre dominated by Baroque buildings as the Collegiate of San Martino, the church of S. Domenico, S. Vito dei Greci, the ducal Palace. At the end of the visit time at disposal for shopping in the narrow streets of the old centre full of boutiques and typical handcraft shops. At the end of the tour you can proceed on with your driver to Noci, a beautiful village which has recently attracted attention with its typical "gnostre", open courtyards in the most enchanting corners of the old town. We can arrange for you a tasting of five wines accompanied by a gourmet delicacy from the land. It is necessary to book the excursion at the reception.
